

## Hollis Equestrian Park Sponsorship 2026

Hollis Equestrian Park is the most widely-used horse park in southern Maine. It is open to all types of horse clubs and events. We are very excited to announce that the park is booked for almost every weekend from May until October 2026! There will be all types of shows, club events, and trail rides. These events attract lots of spectators! You can view a complete list of events on our web site at <https://HollisEquestrianPark.com/>.

The park is maintained solely by volunteers, and it is the generous support of sponsors like you that make this wonderful place available for all to enjoy. Our goal for summer 2026 is continued improvement of the property. We hope you will consider helping us meet this goal. In exchange for sponsorship of the Hollis Equestrian Park, we would like to offer you a quality sign at the Park to advertise your business or stable. Sponsors' signs will be affixed to the outside rails of the ring fencing or the buildings where they will be visible to competitors and spectators alike, at every event held at the Park throughout the year. The first year of sponsorship includes a charge for the sign creation—see the next page for ordering your sign. Future sponsorship years, using the same sign, will cost \$100.00. In order to make the Sponsorship year coincide with the start of horse show season, we will be renewing sponsorships in the spring of each year. Signs purchased this year will be displayed at the Park throughout the entire season. To get signs up before the first event, sponsors should contact us no later than April 1.

Attached is an order form for your convenience. Please feel free to call Pat at 929-0091 if you have any questions.

**Thank you for your support!**
